

Minute Men (are Turning In Their Graves)

Stonewall Jackson

They march in lines and carry signs protesters one and all
They'd rather go to prison than to heed their country's call
Get out of here get out of there let's have an end to war
I'm glad they weren't around to say get out of Valley Forge

The Minute Men are turning in their graves
Washington and Jefferson are crying tears of shame
To see these men who'd rather live as slaves
The Minute Men are turning in their graves

What's happened to our heritage what's happen to our pride
Since when do free Americans pull for the other side
Did we send food to Hitler's troops or praise the enemy
Did all our children die in vain defending liberty

The Minute Men are turning in their graves...

I can't condemn a man who feels that taking life is wrong
But I fail to understand a man that won't defend his home
Dear Lord I've got one little prayer I pray in years to come
Don't ever let those kind of people serve in Washington

The Minute Men are turning in their graves...
Oh the Minute Men are turning in their graves
Oh the Minute Men are turning in their graves
