

# Sorrow's Tearing Down The House

**Stonewall Jackson**

I met you and we married we planned our future well  
Built our home on happiness then suddenly it fell  
It wasn't long there after our love began to tilt  
Sorrow's tearing down the house that happiness once built  
First came the weekend parties that never seemed to end  
Then came the heartache brought by so-called friends  
I guess that I'm as much to blame and while we share the guilt  
Sorrow's tearing down the house that happiness once built

First came the weekend parties...
