

Closer To You

Stoney LaRue

In lieu of an answer
I ask you this question
It's not necessary
Just suggested
Do you want me
Do you love me
Will you kiss me
Will you hold me

The further I get down this road
The closer I get to you

It's tomorrow now and I'm on my way
The sun of man is comin up with the day
My babies know daddy's drivin
As fast as he can

The further I get down this road
The closer I get to you

So let the song just sing itself
Don't try too hard to find it
Catching all the stones
You'll find it hard to realize that

The further I get down this road
The closer I get to you

So let the song just sing itself
Don't try too hard to find it
You're catching all the stones
You'll find it hard to realize that

The further I get down this road
The closer I get to you
Closer I get to you
