

# Let Me Hold You

Stoney LaRue

It's a feeling I get  
When you start to cry  
Tears down my cell  
Like a stormy night

So dry your eyes girl  
Ans just letdme hold you  
I was born to skate on very thin ice  
Most of what I do, I don't even think twice  
So dry your eyes girl  
And just let me hold you

Close your eyes  
Hold on tight  
Let me run around inside of your mind  
Baby, just for tonight  
Let me just hold you

I'm the ship that's been tossed  
A bridge that's burned  
You brought me back from a point of no return  
Thank God I'm with you now  
So I can just hold you  
Oh, there's nothing more that I need to say  
I just want to be yours at the end of every day  
So I can close my eyes  
And just let you hold me

Close your eyes  
Hold on tight  
Let me run around inside of your mind  
Baby, just for tonight  
Let me just hold you

For all we know there may not be tomorrow  
Let's hold on tight  
'Til the mornin' comes

Close your eyes  
Hold on tight  
Let me run around inside of your mind  
Baby, just for tonight  
Let me just hold you  
Baby, just for tonight  
Let me just hold you
