

# Waterfalls

Stooshe

A lonely mother gazing out of the window  
Staring at her son that she just can't touch  
If at any time he's in a jam she'll be by his side  
But he doesn't realize he hurts her so much  
But all the praying just ain't helping at all  
Cuz he can't seem to keep his self out of trouble  
So he goes out and he makes his money  
The best way he knows how  
Another body layin cold in the gutter

Listen to me

Don't go chasing waterfalls  
Please stick to the rivers  
And the lakes that you're used to  
I know that you're gonna have it  
Your way or nothing at all  
But I think you're moving too fast

Little precious has a natural obsession  
For temptation but he just can't see  
She gives him loving that his body  
Can't handle and all he can say  
Is "baby is good to me"  
One day he goes and take a glimpse in the mirror  
But he doesn't recognize his own face  
His health is fading but he doesn't know why  
3 letters took him to his final resting place...

Y'all gonna hear me

Don't go chasing waterfalls  
Please stick to the rivers  
And the lakes that you're used to  
I know that you're gonna have it  
Your way or nothing at all  
But I think your moving too fast

Come on

I seen a rainbow yesterday  
But to many storms have come and gone  
Leaving a trace  
Of not one God giving ray  
Is it because  
My life is ten shades of grey  
I pray all ten fade away  
Seldom praise him for the seven days

And like his promise is true  
Only my faith can undo  
The many chances I blew  
To bring my life to anew  
Clear and blue and unconditional  
Skies have dried the tears from my eyes  
No more lonely cries

Don't go chasing waterfalls  
Please stick to the rivers  
And the lakes that you're used to  
I know that you're gonna have it  
Your way or nothing at all  
But I think your moving too fast X2
