

## Ashes in Your Hands

Stormwind

Ashes in your hands  
Hold on to your dreams  
Show me your truth  
Show me your beauty!

You will always stand alone forever  
that's no reason to leave  
Everyday changes the future, to the past  
and your eyes tell me more!

When the angels pass you by! (Fly!!!!!!)  
Leaving ashes in your hands  
See the sign and break the line!  
Soon your tears are streaming down

Bringing sorrow, bringing pain, it's all the same  
and I let it pass me by  
Your heart is broken, very sadly  
Another chance to set yourself free!
