

# Blinded Eyes

Stormwind

(You're)  
running along  
running along  
running in a fool's trail  
waiting for another chance to fly?

Still afraid  
still afraid  
still afraid to die?  
Do you see the signs all around?

It seemed like you never broke your pattern!  
Will you ever find some peace?

You  
walked on by!  
With blinded eyes!  
It seemed to be your destiny  
as your life goes by!

You  
walked on by!  
With blinded eyes!  
A picture of a crying child  
inside your mind?

(i 'll) see your eyes  
see your eyes  
is searching for enlightenment  
who are you fooling with now!?

(you) dreaming on  
dreaming on  
dreaming of a sunrise  
seize the day and see yourself around!

It seemed like you never broke your pattern!  
Will you ever find some peace?
