

Without fear  
Without guidance from the Stars!  
A thousand years reign  
Of a single Dynasty!  
Through the Fire  
Through dark periods of war!  
They hold their fortress & their Rock!

Throughout Centuries, Their Principality  
Kept their identity, always Free!

[Chorus:]  
Destiny of a Dynasty!  
Loyalty kept them Free!  
Through the guidance & Trust  
Of it's Princes!

Destiny of a Dynasty!  
Centuries of Liberty!  
A Golden Flame & Spirit  
Protected their shields!

They ruled their Land  
With Passion in their Hearts  
What goes around always comes around!  
At the threshold of the third Millenium  
It will Celebrate their Loyalty

Throughout Centuries, Their Principality  
Kept their identity, Always Free!
