

# Mountain of Zion

Stormwind

The pilgrims passing  
Through the gate of Zion

Traditions passed on, so easy to lie on

Christ was aware,  
It was the last supper  
The prayer of despair  
Still heard at the Wailing wall

Mountain of Zion!  
Betrayed and accused

Oh Lord forgive them  
They didn't know better!

Endless caravana  
at the desert well

The Holy Water  
Flowing to save us from hell

The star of forgiveness  
Shines over Jerusalem

The prayer of despair  
Still heard at the Wailing wall
