

## White Man (Queen cover)

Stormwind

I'm a simple man  
With a simple name  
From the soil my people came  
In this soil remain, oh yeah...

And we made us our shoes  
And we trod soft on this land  
But the immigrant built roads  
On our blood and sand, oh yeah...

White man! White man!  
Don't you see the light behind your  
Blackened skies  
White man! White man!  
You took away sight to my simple eyes  
White man! White man!  
Where you gonna hide from the hell  
You've made?

Oh the red man knows war  
With his hands and his knives  
On the bible you swore  
Fought your battle with lies, ohh yeah...

Leave my body in shame  
Leave my soul in disgrace  
But by every god's name  
Say your prayers for your race

White man! White man!  
Our country was green and all our  
Rivers wide  
White man! White man!  
You came with a gun and soon our  
Children died  
White man! White man!  
Don't you give a light for the blood  
You've shed?

What is left of your dream?  
Just the words on your stone  
A man who learned how to teach  
Then forget how to learn
