

# The Black Swan

Story of the Year

OOOOHHHHH!

Whoaaa  
Far beyond the reach of prediction  
Lies a promise of a break in the code  
And the truth untold  
Just before the Black Swan arises  
The horizon will be invisible  
As the events unfold  
Unfold, oh no

The explosion fathers a wave  
Consequence we'll take to the grave  
To the grave!  
Take to the grave!  
Take to the grave

Far beyond the realm of perception  
Our assumptions dissipate in the void, paradigm destroyed  
When everything that seems to be constant  
Shifts direction and defies what we know  
Everything that we hold so close

The explosion fathers a wave (The explosion fathers a wave)  
Consequence we'll take to the grave (Take to our graves)  
What we'll never anticipate (What we'll never anticipate)  
Consequence we'll take to the grave  
To the grave!  
Take to the grave!  
Take to the grave  
TO THE GRAVE!  
TO THE GRAVE!

AAHH!!  
YEAH!  
Unexpected the impact of what's to come  
Everlasting the fall out will carry on  
Waiting quietly beyond hexagon  
To unravel the cannon baring the one

The explosion fathers a wave (The explosion fathers a wave)  
Consequence we'll take to the grave (Take to your graves)  
What we'll never anticipate (What we'll never anticipate)  
Consequence we'll take to the grave  
To the grave!  
Take to the grave!  
Take to the grave  
TO THE GRAVE!  
TO THE GRAVE!
