

Time Goes On

Story of the Year

The crowd will rise sky will fall
A flash of light to bury us all (woah)
Cause we are a time bomb
The ashes rain and hide the sun
Of every remains is what we've done
Cause we are a time bomb (woah)
Just letting this time go on and on and on and on

Underneath this sky we'll rise and fall
'til our way of life is gone
Underneath it all time still goes on and on and on and on and on

Oh woah

A new empire to wear the crown
What we desire will carry us down (woah)
Cause we are a time bomb
A life destroyed a culture lost
One little boy will measure their cause (woah)
Cause we are a time bomb (woah)
Just waiting as time goes on and on and on and on

Underneath this sky we'll rise and fall
'til our way of life is gone
Underneath it all time still goes on and on and on and on and on
Time goes on
Time goes on
Yeah time goes on
Yeah

Now lives will be drawn (lives will be drawn)
In the faded memory of
The lives come and gone
But time still goes on
A new day will dawn (a new day will dawn)
And die beneath this sun
For lifetimes to come
Time carries on

Underneath this sky we'll rise and fall
'til our way of life is gone
Underneath it all time still goes on and on and on and on
On and on and on and on
On and on and on and on
Yeah
Cause time goes on
Yeah time goes on
