

# Bomb

Stradlin Izzy

Feelin' stoned motherfucker bang in the head  
Kamikaze living fast  
They wanna go to a promised land  
Oh yeah I'll give 'em all a hand

Ahead, ahead, ahead

Hey drop the bomb, hey drop the bomb

Greazy little bomber flying right on track  
Radio in for an air attack  
Lock in position for the final pair  
They're throwing a bomb that's a miracle man

Ahead, ahead, ahead

Hey drop the bomb, hey drop the bomb  
Hey drop the bomb, hey drop the bomb

Solve in a line for the main attack  
Give 'em a ring tell 'em where it's at  
Lock in position for the final pair  
They're throwing a bomb that's a miracle man

Ahead, ahead, ahead

Hey drop the bomb, hey drop the bomb  
Hey drop the bomb, hey drop the bomb
