

# California

Stradlin Izzy

Girls are nature born yo  
California  
You see the coloured wind blow  
California  
California  
California  
California

-----  
(Yeah), Well it's alright  
(Yeah), Well it's alright  
(Yeah), Well it's alright  
No place I'd rather be tonight

-----  
CaliFornia  
Yeh I'm rollin in the slow lane  
California  
Wearin impersol frames  
California  
California  
California  
California

-----  
(Yeah), Well it's alright  
(Yeah), Well it's alright  
(Yeah), Well it's alright  
No place I'd rather be tonight

-----  
SOLO:

-----  
California  
California  
Yeh California  
California  
California  
California  
California  
California  
California  
California

California  
-----
