

California

Stradlin Izzy

Girls are nature born yo
California
You see the coloured wind blow
California
California
California
California

(Yeah), Well it's alright
(Yeah), Well it's alright
(Yeah), Well it's alright
No place I'd rather be tonight

CaliFornia
Yeh I'm rollin in the slow lane
California
Wearin impersol frames
California
California
California
California

(Yeah), Well it's alright
(Yeah), Well it's alright
(Yeah), Well it's alright
No place I'd rather be tonight

SOLO:

California
California
Yeh California
California
California
California
California
California
California
California

California
