From desperation here to motivated there
I've got ta get some sleep some time this week man
That old cocaine she's bad, worst love I ever had
I've got ta get some sleep some time this week man
Ya go fallin' over
Cause ya haven't been ta bed in a week
Ya start ta see' funny like snow comin' down in a heat
Cocaine please go away
Bye bye bye give me a wave
I don't see you any more that I can say
My heart beats violent red, I ain't done nothin' bad
I've got ta get some peace some time this week man
On white hot ashes my friend, my feets been runnin' fast
I've got ta get some peace some time this week man
Start ta see' funny like snow comin' down in a heat
Cocaine please go away
Bye bye bye give me a wave
I don't see you any more that I can say
I don't need you any more please go away
Cocaine please go away
Bye bye bye give me a wave
I don't see you any more that I can say
I don't need you any more please go away
