Stradlin Izzy

Tried to tell ya one time but your, head was in the clouds No idea, was coming down Looking for the answer instead of, looking out of bounds All I'm saying, just don't know, 'bout you All I'm saying, just don't know Wake up in the morning wondering, how'd you end up here Negotiate your own way clear Looking for the answer instead of, looking in your mirror All I'm saying, just don't know, 'bout you All I'm saying, just don't know Maybe you're right man then again Que sera sera mi friend All I'm saying, just don't know, 'bout you All I'm saying, just don't know All I'm saying, just don't know, 'bout you All I'm saying, just don't know
