

## Milo

Stradlin Izzy

Sit on a hill and I'm playing my guitar  
Sit on a hill and I'm playing my guitar  
Yeah it's good  
A little smoggy today  
Go Milo go, go Milo go  
He's chasing down a young coyote  
Sit on a hill and I'm playing my guitar  
Sit on a hill and I'm playing my guitar  
It was good  
Smoke has faded today  
Go Milo go, go Milo go  
He's chasing down a young coyote  
Sit on a hill and I'm playing my guitar  
Sit on the hill and I won't lean them too far  
It was good  
Sky is so clear today  
Go Milo go, go Milo go  
He's chasing down a young coyote  
Go Milo go, go Milo go  
He's chasing down an old coyote
