## **Old Hat**

## Stradlin Izzy

I don't really need no, no bag o' cocaine I don't really need no, no fold a smack Been there and done that, that ain't too clever I sure don't miss it had enough of that crap

Bank robbers shootin up North Hollywood yeah Seems like a rerun livin on this town I go see a movie, try and entertain me It don't half compare to the shit that's goin down around here

It's old hat It's old hat It's old hat But I sure do like the sound of that

I don't really need no, no sub machine gun Your paranoia is getting old But I wouldn't mind to have myself a bazooka I'd go play Elvis and blow a hole in my heart It's old hat It's old hat It's old hat But I sure do like the sound of that It's old hat It's old hat It's old hat But I sure do like the sound of that
