

Ride On

Stradlin Izzy

Say good lookin
Yea real fine baby
Said good lookin'
Watcha say maybe
U and me
Sailin' deep, huh
Ride on baby

I heard ya been bitter
'Bout your old friend bitchin'
If it'll make you feel better
Well take a ride into the weather
U and me sailin' deep, huh
Ride on baby
(Solo)
Damn good lookin'
Say ya real fine baby
I'm packin for a runnin'
Past the city limits
U and me
Sailin' free
U and me
Ridin' free
Ride on baby
