This Is How A Heart Breaks

Straight No Chaser

Don't you wanna go for a ride Just keep your hands inside And make the most out of life Now don't you take it for granted

Life is like a mean machine It made a mess outta me It left me caught between Like an angry dream I was stranded, I was stranded

And I'm steady but I'm starting to shake And I don't know how much more I can take

This is it now Everybody get down This is all I can take This is how a heart breaks You take a hit now You feel it break down Make you stay wide awake This is how a heart breaks

Don't you wanna go for a ride Down to the other side Feels so good you could cry Now won't you do what I told you I remember when you used to be shy Yeah, once we were so fine You and I why you gotta make it so hard on me

And I'm sorry but it's not a mistake And I'm running but you're getting away

This is it now Everybody get down This is all I can take This is how a heart breaks You take a hit now You feel it break down Make you stay wide awake This is how a heart breaks

Yeah, this is how a heart breaks

You're not the best thing that I knew Never was never cared too much For all this hanging around It's just the same thing all the time Never get what I want Never get too close to the end of the line You're just the same thing that I knew back before the time When I was only for you

This is it now Everybody get down This is all I can take This is how a heart breaks You take a hit now You feel it break down Make you stay wide awake This is how a heart breaks (2x)
