Wonderwall

Straight No Chaser

Today is gonna be the day That they're gonna throw it back to you By now you should've somehow Realized what you gotta do I don't believe that anybody Feels the way I do about you now

Back beat the word is on the street That the fire in your heart is out I'm sure you've heard it all before But you never really had a doubt I don't believe that anybody feels The way I do about you now

And all the roads we have to walk are winding And all the lights that light the way are blinding There are many things that I would like to say to you But I don't know how, don't know how

Because maybe You're gonna be the one that saves me And after all You're my wonderwall

Today was gonna be the day But they'll never throw it back to you By now you should've somehow Realized what you're not to do I don't believe that anybody Feels the way I do about you now

And all the roads we have to walk are winding And all the lights that lead us there are blinding There are many things that I would like to say to you But I don't know how, I don't know how

Because maybe You're gonna be the one that saves me And after all You're my wonder You're my wonder You're my wonderwall
