

Every Time You Cry

Strangeways

You wonder were it all went wrong,
You never knew reason,
You found yourself alone again,
Everytime you take another chance,
Put your faith in someone else,

I'm praying that you find someone
Who never break your heart again,
Never,
And every time you cry,

Every time your heart surrenders inside
You take a part of me,
Everytime your crying you take a part of me yeah,
And everytime you fall,

Everytime your heart surrenders control,
Praying that you find someone
Who never break your heart again,
Every time you cry,

You thought you seen it all before,
You thought it was so easy,
But now your dream is chrusing down,
But love is just a breath away,

Love is just a breath away,
I'm praying that you find someone
Who never break your heart again
'Cause everytime you cry,

Everytime your heart surrenders inside
You take a part of me,
Every time you cry you it takes a part of me
And everytime you fall,

Everytime your heart surrenders control,
Praying that you find someone
Who never break your heart again,
Every time you fall

Everytime you cry,
Everytime your heart surrenders inside,
You take a part of me,
Everytime you cry it takes a part of me,

And everytime you fall,
Everytime your heart surrenders control,
I'm praying that you'll find someone
Who never break your heart again

Everytime you cry
