

So Far Away

Strangeways

feels so cold inside
why should it have to be this way
how could i had been so wrong
i had so much more to say
feels like you're not there
when you're right in front of me
how can i get through to you
how can i make you see?
just look at me
and tell me nothing's wrong
i've got to find out where we are
the nights are way too long

don't turn you're back on me now
i feel like i'm falling
got to know where i stand if there's something to say
i tried to reach out to you
can you hear me calling
and it seems now I'm here yet you're so far away

feel my heart beating
all our love's just a memory
can today be yesterday?
does tomorrow have to be?
i know that you won't be there
this is just a game you play
i've got to find out where we are
cuz you're so far away

don't turn you're back on me now
i feel like i'm falling
got to know where i stand if there's something to say
i tried to reach out to you
can you hear me calling ?
and it seems now I'm here yet you're so far away

so far away
woah.....
so far away
woah yeah.....
