

## Instead of This

## The Stranglers

I don't want to talk about it  
I don't want to greet about it  
I don't want to see you anymore  
I don't want to think about it  
I just want to see you walk out that door  
Walk out that door

I don't want to hear about it  
I don't want to fight about it  
I don't want to argue anymore

I don't want to linger on it  
I just want to even up the score  
Walk out that door

You could have had all  
You could have had all the love you wished  
You could have had all  
All I had to give instead of this  
Instead of this

I don't want to talk about it  
I don't want to greet about it  
I don't want to see you anymore

I don't want to think about it  
I just want to see you walk out that door  
Walk out that door

You could have had all  
You could have had all the love you wished  
You could have had all  
All I had to give instead of this  
You could have had all  
You could have had all the love you wished  
You could have had all  
All I had to give instead of this  
Instead of this
