Instead of This

The Stranglers

I don't want to talk about it
I don't want to greet about it
I don't want to see you anymore
I don't want to think about it
I just want to see you walk out that door
Walk out that door

I don't want to hear about it
I don't want to fight about it
I don't want to argue anymore

I don't want to linger on it
I just want to even up the score
Walk out that door

You could have had all
You could have had all the love you wished
You could have had all
All I had to give instead of this
Instead of this

I don't want to talk about it
I don't want to greet about it
I don't want to see you anymore

I don't want to think about it
I just want to see you walk out that door
Walk out that door

You could have had all
You could have had all the love you wished
You could have had all
All I had to give instead of this
You could have had all
You could have had all the love you wished
You could have had all
All I had to give instead of this
Instead of this
