

## Manna Machine

## The Stranglers

After forty years and after forty nights  
Making some food for the Israelites  
Out on a limb inside the Heights  
Lies a machine out of sight  
Not much air, breathing still  
Sleeping mummy who did you kill?

They closed your eyes and left you to rust  
Many prayed for you to turn to dust  
You need a man from hereabouts  
To find where you are and dig you out  
To find where you are and dig you out

And just one thing  
If you're let loose  
Can you still make cookies in your caboose?

Sleeping mummy  
Sleeping mummy  
Sleeping mummy who did you kill?

And one more thing  
If you can hear  
Don't go out again and disappear

And one more thing  
If you can hear  
Don't go out again and disappear  
Disappear  
Disappear  
Disappear  
Disappear  
Disappear  
Disappear  
Disappear  
Disappear  
Disappear  
Disappear  
Disappear  
Disappear  
Disappear  
Disappear  
Disappear  
Disappear  
Disappear  
Disappear  
Disappear
