

## Strange Little Girl

The Stranglers

One day you see a strange little girl look at you  
One day you see a strange little girl feeling blue

She'd run to the town one day  
Leaving home and her country fair  
Just beware  
When you're there  
Strange little girl

She didn't know how to live in a town that was rough  
It didn't take long before she knew she'd had enough  
Walking home in her wrapped up world  
She survived but she's feeling old  
And she found all things cold

Strange little girl, where are you going?  
Strange little girl, where are you going?  
Do you know where you could be going?

Walking home in her wrapped up world  
She survived but she's feeling old  
'cause she found all things cold

Strange little girl, where are you going?  
Strange little girl, where are you going?  
Do you know where you could be going?

Strange little girl, where are you going?  
Strange little girl, where are you going?  
Do you know where you could be going?
