

## Summer in the City

The Stranglers

Hot town summer in the city  
Back of my neck getting dirty and gritty  
Been down isn't it a pity  
Doesn't seem to be a shadow in the city  
All around me people looking half dead  
Choking on the sidewalk, it's hotter than a match head  
At night it's a different town  
Go out and find a girl  
Come on come on and dance all night  
Just what you need, it will be alright  
And babe don't you know it's a pity  
The days can't be like the nights  
In the summer in the city  
In the summer in the city

Cool town meeting in the city  
Dressed so fine and looking so pretty  
Cool cat looking for a kitty  
Gonna look in every corner of the city  
'till I'm wheezing at the bus stop  
Running up the stairs gonna meet you on the roof top

At night it's a different town, go out and find a girl  
Come on come on and dance all night  
Just what you need it will be alright  
And babe don't you know it's a pity  
The days can't be like the night  
In the summer in the city  
In the summer in the city
