

All Hail the New Flesh

Strapping Young Lad

Hey Man, I'm Going To Fuck This Shit Up
No Fear, No Compromise, I Want It All
I Will Never Be Afraid, And I'll Die With What I Believe

All Of You Assholes Can Stay Rotting Here
I Do No Care, I Will Not Be There
I Have Got To Save Myself
And Don't Tell Me There's No One Else

And All You Are Is All You Are...
I'm So Sorry (For You) I'm Sorry...

So All Hail The New Flesh,
Because It Suits Me Fine...

Just Get Away, You Motherfuck
And We'll Be Back If You Come
For What This Means To Me, You Piece Of Shit...
I'll See You Pigs In Hell
I Just Know Everything's Going To Be O.K.
