

Devour

Strapping Young Lad

Devour the living
Devour the dead
We learn how we live when we die

Divide... Divide... Divide
We learn how we live when we die
Divide... MULTIPLY
Divide... MULTIPLY
Divide... MULTIPLY
We learn how we live when we die

Dividing the living... Defining the dead
One hundred or more in the womb
One hundred will go... one hundred below
One hundred will burn it away
Oh God help me with these dreams
Of one hundred millions souls washed away
One hundred will go... one hundred below
One hundred will burn it away
