

## You Are Eternal

Strata

I'm all ready.  
Come on  
And  
Take me  
Through it all...  
Please lay down -  
You're eternal  
I'll never forget you...  
For as long as we live  
And forever after,  
I will remember  
You are eternal...  
So don't let them  
See you bleed or cry  
And don't let up-  
You'd leave us cold...  
You're eternal  
I'll never forget you...  
For as long as we live  
And forever after,  
I will remember  
You are eternal...  
So, don't cry. (No, don't cry...)  
For as long as we live and forever after,  
I will remember, you are eternal...
