

## Against the Wind

Stratovarius

Once again I try to make things work  
Facing all the power of society  
Searching all the answers of the life  
I'll never make it on my own  
Was I meant to fail everytime  
Seems to me that's my destiny  
Is this all that's left to me  
Confusion and bad memories

But now my time has come  
No more running in the dark  
I want much more than this  
I really want it all

Against the wind we run  
To every place under the sun  
We've got so much power inside  
We will never give up  
Against the wind we go  
Towards the new shore  
Together we'll forget the sorrow  
It's forever gone
