

Black Diamond

Stratovarius

INTRO: (C#m B' A B C#m G#m')2X

Again. i see you standing there, watching me.

Your gaze and eyes are
tantalizing openly.

Inviting me to get close to you, cant help myself. Theres fasci
nation
in the air.

I try to fight this strong sensation but there's no chance to e
scape from
this temptation.

Feels like iv'e known you before, repeating phrases, but i year
n for
something more.

i know i cant stay by your side forever, but i know i wont forg
et your
beauty, my black diamond.
