

# Blind

Stratovarius

When you tell me that your truth  
will set me free  
Don't believe you and I wish  
you'd let me be  
From the cradle to the grave  
I feel your pain  
But I'm trying to erase  
you from my brain

Carry me to the shore,  
Carry me, I can't stand it anymore

I am blind, but I can see you in my mind  
I am blind, but I can see you  
I am blind

When you say you have a way  
to make me talk  
I just wanna turn around  
and start to walk  
Can't you see, don't want  
to be inside your mind  
Set me free leave me be  
and make me blind

Carry me to the shore,  
Carry me, I can't stand it anymore

I am blind, but I can see you in my mind  
I am blind, but I can see you  
I am blind

I am blind, but I can see you in my mind  
I am blind, but I can see you  
I am blind  
I am blind, but I can see you in my mind  
I am blind, but I can see you  
I am blind
