

Looking back through time
To my childhood days
I used to have a place
Where I could escape the reality
But lately things have been
So difficult for me
Trying to reach for the light
In the fall of darkness

Waiting watching my life
I'm wasting my time
I'm losing grip from life
Going back to my dreamspace
Leaving it all behind
Soon the things will be alright
When I get there

Am I safe in here
Nothing left to fear
I will close my eyes
And float away with stream

Wandering here in this
Eternal darkness
No sign of light anywhere
I am going insane
Now I am leaving this life
No hope left, I want to die
