

## Dreamspace

Stratovarius

Looking back through time  
To my childhood days  
I used to have a place  
Where I could escape the reality  
But lately things have been  
So difficult for me  
Trying to reach for the light  
In the fall of darkness

Waiting watching my life  
I'm wasting my time  
I'm losing grip from life  
Going back to my dreamspace  
Leaving it all behind  
Soon the things will be alright  
When I get there

Am I safe in here  
Nothing left to fear  
I will close my eyes  
And float away with stream

Wandering here in this  
Eternal darkness  
No sign of light anywhere  
I am going insane  
Now I am leaving this life  
No hope left, I want to die
