

# Fight!!!

Stratovarius

Fly the mountains  
Pictures on my back  
Hopeless feelings  
Everything is black

What am I fighting for?  
What am I living for?  
(There) is a path that I don't know

You gotta fight!!!  
Fight for your life!  
Until you die!  
Fight for your rights

Endless searching  
In this cyber space  
All is turning  
Into a disgrace

What am I searching for?  
What am I running for?  
(There) is a path that I don't know

You gotta fight!!!  
Fight for your life!  
Until you die!  
Fight for your rights

Fight for your life!  
Until you die
