

Late at night I find myself again  
Wondering and watching TV  
I can't believe what is on the screen  
Something that I wouldn't dare to see

Many rare species will perish soon  
And we will be short on food  
Why do we have to be so selfish  
We've got to change our attitude

I know that I am not  
The only one that's worried  
Why don't we all wake up, and realize?

Like the birds in the sky  
We're flying so high  
Without making any kind of sacrifice  
We've got so little time to undo this crime  
Or we'll lose our paradise

It seems to me that there's no sense at all  
Nobody cares it's always the same  
Mother nature's crying out in pain  
we are the one's to blame.

I know that I am not  
The only one that's worried  
Why don't we all wake up, and realize?

Like the birds in the sky  
We're flying so high  
Without making any kind of sacrifice  
We've got so little time to undo this crime  
Or we'll lose our paradise.
