

# When Mountains Fall

Stratovarius

It was just like yesterday  
when you choose to leave and I to stay  
It was a warm and sunny day  
but my heart felt as heavy as stone

Never told me where you went  
then again I never try to ask  
Now I know in life you have one chance  
and you better use it well

When the mountains fall  
and the oceans ?flood?  
I'm still in search of you  
only thing I want to say  
I'm still in love with you

Finally I found your place  
sadly I came three summers late  
Now I'm see them ?by a grade?  
and I sing this song for you

when the mountains fall  
and the oceans  
I'm still in search of you  
only thing i want to say  
I'm still in love with you

One last thing  
I have to say  
I'm still in love with you
