

## Years Go By

Stratovarius

Look around do you see  
So many things have changed  
And you should know by now  
I never meant to hurt you at all  
All my life I have been an outcast  
But now Ive been reborn  
And I see things so clear

Open your eyes and realize  
Hard times are over if you want  
Open your mind  
Reach for the stars  
Answer is there for us to find

Years go by  
Never know when its too late  
Years go by  
Yourself you seal your fate  
Dont look the answer from horizon  
Its closer than you think  
Years go by, oh how they go by
