

Miss Attraction

Strawberry Alarm Clock

Oh, hey Miss Attraction, butterflies
Turnin' my stomach, but I think it's wise
To choose your friends as you happen to see
Hey, Miss Attraction, I hope it's me

I saw your want ad: first come, first serve
Hey, Miss Attraction, where did you get your nerve?

Hey, Miss Attraction, who's your friend?
Have her tell you 'bout last night again
And while you listen, don't eat out your heart
Check it with me, babe, that is a start

I heard your heart beat, I got close enough
Hey, Miss Attraction, sure got some good stuff

Ha ha ha
Whoa!
Oh no
Come on now, get it on now, ha!

I heard your heart beat, I got close enough
Hey, Miss Attraction, sure got some good stuff

Hey, Miss Attraction, meet Mister Action
Can I help you get satisfaction?
Choose your friends as you happen to see
Hey, Miss Attraction, I hope it's me
