

Small Package

Strawberry Alarm Clock

There's a small package waitin' for me
And I've got to decide if it's really for me
You just can't call and say wrap it up
Or want it at all unless you give it up

Baby, what happens when you do
Finally arrive?
How am I to know that you're
Really alive?
And I gotta have you, oh

Yeah
In a small town I shouldn't have been in
A small package finds me and it's really for me
You're good in some ways
But your disadvantage is
I love you too much

Baby, what happens when you do
Finally say I love you?
How am I to know that you'll
Wake me today?
Hey, hey, hey

Well East Coast girls are hip
I really dig those styles they wear
