

## Always On My Mind

Strawbs

When we met for the first time  
I didn't even like your name  
Then we met once again and  
I wondered if I'd been insane.

Now I find you're always on my mind  
Now I find you're always on my mind.

Never thought love could hit me  
The way it does when I'm with you  
Never dreamed I'd feel this way  
Loving you the way I do.

Now I find you're always on my mind  
Now I find you're always on my mind.

Now it seems I've always known you always on my mind  
Couldn't stand to live without you  
These days you're always on my mind.

When we met for the first time  
I thought that love was just a game  
Then I fell for you and then  
You told me that you felt the same.

Now I find you're always on my mind  
Now I find you're always on my mind.
