

# I Only Want My Love To Grow In You

Strawbs

It takes a little sunshine  
It takes a little rain  
It takes a little laughter  
It takes a little pain  
But I can take the heartaches  
I only want my love to grow in you.

It takes a little kindness  
It takes a little tears  
It takes some understanding  
To last so many years  
But I can take the changes  
I only want my love to grow in you.

I'll hang in on you  
While you hang out on me  
I know you have your reasons  
For needing to be free  
Why don't we talk it over  
And find out where we stand  
In my old-fashioned way  
I'll always lend a helping hand.

It takes the joy of knowing  
That even if we're poor  
We somehow turn out richer  
Than we ever were before  
Now I don't need much money  
I only want my love to grow in you.
