

Josephine For Better Or For Worse

Strawbs

The years have left their mark
And time must be to blame
To me you're still the same
Josephine, for better or for worse.

I thought that I would stay
Always young and free
But now you're part of me
Josephine, for better or for worse.

For richer, for poorer
To honour and obey
For better or for worse
You're still the same today ... Josephine.

Sometimes our way of life
Has gone against the grain
Yet somehow you remain
Josephine, for better or for worse.
