

## Lay A Little Light On Me-hero's Theme

Strawbs

Watch my hand  
See it shakes  
Trembling as my life blood bleeds  
Comfortless  
Superfakes  
Offering their empty creeds  
That have faith or substance  
That change to suit the doubter  
To satisfy his needs.

Rid me of your darkness  
Lay a little light on me  
Clothe me with your brightness  
Lay a little light on me  
Oh save me someone  
Lay a little light on me

Growing boys  
Masturbate  
Drink the wine and take the bread  
Saintly priests  
Castigate  
Holy water for the head  
With shades of John the Baptist  
Who came intent to rescue  
And danced with death instead.

Bless the good  
Curse the bad  
Some are wise  
Others mad  
Phoney profiteers suitably seeming sad  
Preparing for the kingdom  
Anointing us with wisdom  
Convinced that we'll be glad.
