

Sail Away To The Sea

Strawbs

The hands on the clock keep turning round
They point to the time of the day
The time means nothing with you by my side
Though some time I'll be on my way.

Down the road to where I must go
There's nothing between you and me
I'll take a boat down the river my love
And sail away to the sea
I'll sail away to the sea.

What will you take to remember me by
I've no money to buy you a smile
I can't say the words to bid you farewell
So I'll carry them with me a while.

You'll wave goodbye 'till I pass out of sight
As you're waving goodbye for good
I can't even take you part of the way
I only wish that I could.
