

Sealed With A Traitor's Kiss

Strawbs

I must have been the saddest man
Who ever wrote a love song
For when I spoke of ways and means
I knew it would not last long
After all the years
The growing pains and heartaches
I swore that I would die for you
And sealed it with a traitor's kiss.

We must have been a crazy pair
To think we'd last together
I hope you find your own new world
And make it last forever
You gave me your best
I gave you all my worst years
I swore that I would die for you
And sealed it with a traitor's kiss.

Thank you for your sympathy
God bless you for your kindness
I'm sure that as the years roll by
You'll understand my sadness
I can't have been the only man
Who ever wrote a song for you.

Take care of the kids
I didn't want to hurt them
I swore that I would die for you
And sealed it with a traitor's kiss.
