

# The Spectre And His Mantra

Stray from the Path

Put a hole in your brain.  
Blah blah blah.  
Watch this confidence.  
Watch this conspiracy.  
I see you fail me.

Watch this.  
Watch this.  
Look close.  
Watch this.  
Take good notes.

I said now watch me kill you.  
Watch this.  
Take good notes.  
Watch.
